

FESTIVAL PHOTOGRAPHY SPECIAL

In association with Leeds Photographers' Collective - 'Exposure Leeds', KVCA is inviting photographers to record our Festival.

We want to create a high quality visual record of the event that marks our 30th Anniversary appropriately.

Entries are being invited from 'Exposure Leeds' members and from the members of Leeds Visual Arts organisation, East Street Arts. Members of the public are also welcome to take part, particularly from within the local community.

On 10th July those interested in taking part in recording this volunteer-run event should record the whole of the day. We are looking for digital images. The images will be used in a number of ways.

- In a special section in the Autumn issue of 'Kirkstall Matters' – the magazine of Kirkstall Valley Community Association (with a circulation of 1000 copies) and be displayed on the Kirkstall Community website.
- On display in a special exhibition at East Street Arts' Patrick Studios on Thursday 29th July. ESA have kindly given KVCA use of their major Project Space for this show..
- Be collated into a photo-book documenting the event. That we would hope to lodge with the local library and with the Abbey House museum.

In addition, a judging Panel will make a selection of 'Best in Show' entries, with recognition being awarded and certified by the Community Association in the evening at the Patrick Studios event on 29th July.

We are suggesting some indicative themes that may be helpful to participants. They all begin with a "P".

- People
- Place
- Performance
- Participation
- Procession

These are not exclusive, however.

To enter please contact us by email at: kirkstallfestival@virginmedia.com or ring Ken Stratford on 0113 275 5413 (evening or week-end) or 0113 248 0040 daytime.

We will register you and give you information on guidelines, policy on use of your images and details of how to submit.

Even if you are not a practiced photographer, but are just there for a fun day with the family, why not take part?
